Guide to
Blossom Lodge

What is it?

Blossom Lodge is a purpose built cabin which provides a dedicated and secure environment for day time and evening short breaks and activities.

The venue includes a modern, fully equipped kitchen area, wet-room facilities, outdoor playground, indoor and outdoor games and sensory equipment.

Who is it for?

Blossom Lodge has been developed as an additional resource to support disabled children and their families and those caring for them.

It is a venue where disabled children and young people can undertake safe and fun activities, particularly when access to mainstream activities is limited.

It may be used by short breaks providers for activities and in addition it is available for Personal Assistants and Social Care staff undertaking direct work and group sessions such as building independence skills. The lodge can also be hired out by parents and carers for parties and special events.
