

## **The role of the SENCO in early years provision**

5.52 A maintained nursery school **must** ensure that there is a qualified teacher designated as the SENCO in order to ensure the detailed implementation of support for children with SEN. This individual should also have the prescribed qualification for SEN Co-ordination or relevant experience.

5.53 The EYFS framework requires other early years providers to have arrangements in place for meeting children's SEN. Those in group provision are expected to identify a SENCO. Childminders are encouraged to identify a person to act as SENCO and childminders who are registered with a childminder agency or who are part of a network may wish to share that role between them.

5.54 The role of the SENCO involves:

- ensuring all practitioners in the setting understand their responsibilities to children with SEN and the setting's approach to identifying and meeting SEN
- advising and supporting colleagues
- ensuring parents are closely involved throughout and that their insights inform action taken by the setting, and
- liaising with professionals or agencies beyond the setting
