

# Tidy up Time Strategy

- "5 minutes 'til tidy time"
- "3 minutes 'til tidy time"
- "1 minute left. Nearly time to tidy"

(Adults reinforce this with children who struggle with change and be prepared to support transition)

- "Helping hands time in 10, 9, 8, 7, 6, 5, 4, 3, 2, 1"

(Support children to move to designated areas)

- "Let's get busy!"

(Praise and support where needed)
